THANK YOU for BLESSING OTHERS THIS YEAR

Honour someone special to you with an IATW gift through Operation Christmas Blessing !

Each gift has a number – circle the number on the return sheet (to the right) – and print the amount (s) to the right. Total the amount and return. If you wish a card sent to someone in their honour – on a separate sheet of paper – please print carefully their name, address and/or any message, the gift sent, and the name of the person sending it. After Dec 1 we will send them a card or within a week of receiving the information. If possible all gifts should be received at our office by December 15th so we can get them overseas by Christmas.
