

Kokura: Pray for Pat as she returns to her daily duties and ministers to the boys again. Pray that all their staffing needs will be provided.

Reigert: Pray for the team ministering to the unreached tribes of Ethiopia. The month of Ramadan is a time when there seems to be greater spiritual openness. Various opportunities allowed the team to communicate the truth of God's word to individuals in that month. Pray that these seeds will grow.

Weatherby: Gene is mentoring Lucas to work in the Church in South Africa. Jonathan Eby is enjoying working with the two men and is encouraged by the help he is receiving from Lucas in learning the Amakhosa language. Pray for Gene and Janice and Jonathan as they reach out to encourage the Christians in the area and help them to apply Christian teaching and principals to all areas of their life.

White: Ian has arrived safely in Kenya where he will spend the next six weeks finishing the Rehema House children's home in Bukura. Lynne plans to join Ian in early January. After two weeks with the orphanage in Nairobi, where they will be learning about government procedures they expect to have their first intake of children. Pray for all the details that need to come into place for this to happen. Ian has purchased a 1995 Toyota – pray that this vehicle will be a blessing and serve them well.

Sticklee: Rachel has returned safely to La Tienda in Dominican Republic. Pray for God's guidance as she takes this ministry to its next step of bringing hope to women, alleviating the poor, and strengthening the church as she spreads God's love.

Your Church: Through the commercialism of this season, pray that your church will be a testimony for JESUS; the definition for the true meaning of Christmas.

Merry Christmas! Pray for our outreach programs across the world this season that many will be blessed by our gifts and efforts. God bless you all for your gifts, making it possible for IATW to bless others.

Lewis Update

David and Christina Lewis have many details to finalize in the next six weeks before they leave for All Nations Academy in Tanzania. Pray for God to help them accomplish all the necessary paper work in good time and get all the work done before they leave. Pray for guidance on where to live until their house is built on the school compound. The building of the school has been delayed several times.

Pictured below right, David, Christina and Titus Lewis with Shirley Ferris pose outside the container for shipping to Tanzania. In late November several individuals were involved with loading the donated container with desks, books and other items to be shipped before Christmas to the new school in Tanzania.

Please pray for the finalization of shipping, and for safe travel for the Lewis family. Also keep praying that the paperwork for David and Christina will come through for their current departure date of January 12th.

Note: From now on we will not use Zanzibar in reference to the work they are doing in Africa. Zanzibar is part of Tanzania and we feel it will offer them some protection if we refer to Tanzania instead.
