MARCH 2007

Belovicz: Pray for Micheal, Angela and their family as they continue adjusting to their new surroundings and cultures. They write that it has been more difficult than expected. Let's continue to support them in prayer and encouragement as they serve God in Belize Pray also that financial needs will be met and that leaders will. A German Christian organization had committed to giving \$35,000 for the boys home over a 7-year period, and now the funds are not coming in. Pray that funds will come from another source.

Lewis: The roof is now on the school house in Tanzania. Pray that this project will serve as a powerful tool to bring people to Jesus!

White: Rehema House has been blessed with two little boys. There is a great need for this ministry – they could have had 8 more boys in need of a home. Pray for wisdom, direction and excellent workers to help care for these children.

Reigert: Pray for Ken as he prepares to visit Canada in the very near future. He will be speaking in various churches and events to share about the work they are doing in Ethiopia. Pray for Nancy, Luke and Adam during this separation. They will also be coming to Canada for the summer.

Kokura: Pray for Pat as she brings the love of God to the boys at Oaks of Righteousness. Pray that the ministry will continue to flourish and bring hope to many more!

Canada: Pray for the team (above) leaving for Kenya March 7.

Philippines: We rejoice with Pastor Jun Balunan the Hep B he was diagnosed with is now dormant. He continues to need medicines for glaucoma and vitamins for his liver. Medicines for Awit following the stroke also continue to create financial demands. Pray that God will bring complete healing to their bodies and provide finances. Also pray that land will become available for a good price and funds become available to build a Bible School.

Rescued Treasures Thrift Shoppe

With renovations behind us, we are now busy setting up the store front. We thank God for the way things are coming together. It is hard to believe that only six weeks ago our lease took effect and since then many people rallied around us to help with the renovations that needed to take place before opening. We are looking for volunteers to fill various roles, including cashiers, floor staff, people to do sorting, pricing and a variety of other projects. If you would like to volunteer time for a good cause, and have a great time doing it, call Trudy or Pam at 519-342-1052. The store is scheduled to open March 7, 2007.

Thank you to all – too many names to list here – who have supported us by giving time, energy and finances to make this project possible. Special thanks to Dr. Jim and Mrs. Farquarson for storing the donations people gave to us in the last few months.

Sri Lanka

In spite of on-going persecution and violence, the gospel is spreading and Churches are being built. Pastor Abraham sent this photo of Mount Vernon Branch Church, that has now been completed. He expresses thanks and appreciation to the many people who contributed to this cause and made it possible. May God bless you! Plans are to open for worship late February or early March. Pray that this congregation will grow and bring many to the Gospel of Jesus.

We urge you to pray for peace as Christians continue to suffer and die for their faith. Pictured below to the left are the widow and children of a pastor who recently gave his life for his faith. Pray for them as they grieve the loss of their daddy and husband, and let your faith be challenged to a new a deeper level, and your heart be stirred to prayer.
