**INDIA** Halleluah Israel writes: Sunday the 15<sup>th</sup> June we conducted a Medical Camp at Minjur after Sunday worship. A lot of people came for the check up. This time we purchased three times the usual quantity of Medicine. All of it as been given out. The village people get sick quickly for want of vitamins and some tonics to tone up their strength. So we purchased several boxes of tonics and essential meds to give in our Camp. The people were happy and we thank God for all of them.

Dr. Paul Dilipkumar my Sister's husband and his son a third year medical student conducted the camp with the assistance of nurses and young people from the Church.

We have taken a few new orphans into the orphanage. The political situation is very insecure and it needs lot of prayer that God may keep a right one to govern. Hope this will help you for your newsletter.
