**President of Zanzibar, Sheikh Abeid Amani Karume** commends Into All The World. Late June the president of Zanzibar, was to visit the Kasauni hospital for its official opening. The hospital opened because of the gift of equipment you gave through Into All The World. He thanks you and hopes our partnership can continue. He later is to visit the All Nations Academy which he has heard good reports about -and again is thankful for such a good school and hopes it can continue to grow and serve the local community.

Furlough is a time to reconnect with family, churches and supporters. To share what God is doing as well as special time with family and in many cases a time of reflection and study.

**NORTH AFRICA**-please pray for God to give dreams and vision of Jesus to the people of North Africa - Libya Tunisia, Algiers, Morocco, Western Sahara and Egypt. Ask God to send forth workers for the harvest in these countries. At one time this was a major centre of Christianity. Ask God to be with our Pastor A in Libya.
