# Timpany Memorial Fund

*(Cover the card in coins)*

Each year we encourage our partners to share in a special offering for "Capital Projects." This year we are suggesting you take the card below and cover it in coins – then mail a cheque for the amount you get. Use your change to change the world. Why not set up a competition - photocopy several sheets and get friends and family to enter to see who can fill it the fastest. Depending on the when you start have – February Fun, March Meet, April Amusement, etc. Prize to the fastest 3.

At this time our only planned building project we have for 2012 is in UGANDA. We hope to raise another \$60,000 to build a home and centre for the street boys (photo left) that Pat Kokura (photo right) is working with to educate them and give them a true hope and future in Jesus.

Thank you for sharing. If you don't want to cover the card in coins – that's OK – but we do hope you will send a gift for this year's Timpany Memorial Fund. Include the slip below:
