

# 2006 Capital Project Offering Timpany Memorial Fund

Each year we encourage individuals and churches to take part in this special offering (Often received in February), in memory of Paul Timpany, former chairman of our Board and Nigerian missionary. We share together as we give to several capital projects.

## In 2005

We sent funds to finish the roof and put burglar bars on the windows and doors of the Bible school in Michika, Nigeria. They believe they will hold their first classes in the school in January 2006.

Money was also given to purchase a motorcycle for Chad.

Funds were also used to purchase a lap-top computer for overseas use as well as some computer spare parts.

Receipts were about \$11,000.

## In 2006

We hope to pursue 5 projects in 5 different countries:

### INDIA

V.E.I. has been given permission to establish grades 11 and 12 at their school. We would like to send \$4,000 to help build a class room.

### ZANZIBAR

We would like to send \$4,000 to build the office for the new primary school

### SRI LANKA

We would like to send \$2,000 for further assistance to Tsunami victims.

### BELIZE

We would like to send \$2,000 to assist with the building of the new Christian Performing Arts school.

### BENIN

We would like to send \$2,000 for a video projector for evangelism.

## TOTAL GOAL FOR 2006

# \$14,000
